

Research Integrity

Shepherd Shack® ensures the elimination of confounding variables. Our integrity is to make sure our nesting material is **not** a research variable.

- **Clean and consistent**
- **Adhesive and glue free**
- **Ink free**
- **Contaminant free**

Animal Health & Welfare

We at Shepherd believe it is our duty to provide an environmental enrichment that encourages species-specific behaviors and overall health.

Shepherd Shack® is an exceptional environmental enrichment choice in support of this lofty goal.

- **Reduces aggression & stress levels**
- **Most preferred rodent structure**
- **Superior nest building device**
- **Activity center**
- **Increased pup survival in breeding operations**
- **Undisturbed breeding**

Operational Productivity

Environmental enrichment programs must also be able to be utilized effectively and efficiently within a large scale research facility.

Shepherd Shack® 's unique characteristics and durability supports economical facility wide usage.

- **Multiple styles and designs**
- **Economical and reusable**
- **Disposable and compostable**
- **Autoclavable and available irradiated**
